Rev. W. H. Belden, Secy. etc.,

Dear Bro:-

I am desirous of getting a good Missionary or two to speak in my Church on June 17 which is our Quarterly Foreign Missions Day + also the Sabbath when many will be at Clifton.

Can you not send me a list, ^{with P.O. addresses} of some who expect to be present, with some description and recommendation? I want to get Dr. Staulin if he comes to the Convention. He is a friend of Mr. N. F. Graves, an Elder of my Church who is as you are probably aware a great friend of Missions.

If any Missionaries of our Refs Dutch Ch have promised to attend the Convention I would especially like to know it.

Sincerely yours,

H. D. B. Mulford.
