30 EAST 70TH STREET.

Dear Mrs. Belton

The parcel I
sent you may have
confused you for
I did not have
time to write to
you before Christ-
mas. The books
were for Selma - the
purple dresses for
the twins, the other

for the other sister,
and I hope Willie
will enjoy some
of the books.

I am going to send
you the boys pictures
so you can see
how the little boys
look. your family
group are before me
as I write.

With all good wishes
for the coming year.

Truly yours
Jane S. Dorris
