Per Mr Beldan,

Dear Sir,

Since writing  
to you with regard to the services  
at the Pearl Street Mission,  
one has offered to take  
charge the first & third  
Wednesdays of February & March.  
I know how your time is  
taken up, but this is too  
much to ask of you, but  
you will excuse me, if I ask  
if you could come on the  
second Wednesday evening  
of either February or March,  
if you could not come both,  
I ask it because you are so  
very acceptable and we would

so much like to have you,  
our meetings are becoming  
very interesting, some increase  
in the attendance, although  
the walking & weather have  
been very unpleasant.

truly yours

M. G. Titman
