

in loving remembrance to you all -

Off Grace & Legon  
1870

teachers receive treatment  
at any less price? I  
would be very grateful for  
any advice.

I hope Mr. Belden  
is improving, & that you  
the children are all  
well. We are all very  
well - with the exception  
of colds. It takes the chil-  
dren a little time to re-  
member that they must  
wear jackets again.

My husband joins me

My dear Mrs. Belden,  
Will you please  
accept the accompanying  
check with my apologies?  
I just wanted to tuck  
it into the box which  
Mrs. Howell and Miss  
Corman are preparing  
for you - as my share -

but they wouldn't let  
me and insisted on  
my sending it along.  
I hope it may keep  
in getting ready for the  
winter. I don't know  
how you manage to  
keep five clothed for  
my three are usually  
out at the loes especially.

I want to ask your  
advice & Mr. Belden's

for a review of mine - address Boston.  
At the Chicago Exposition the price  
amounts to and you paid her back  
so that she has been paid - on several  
occasions. Do you think she would  
be satisfied by going to Colburn  
Spring? What is it if the place  
for a case of that kind, you select.
