Dear Bellem

As yet I have not
heard from you. I suppose
you do not propose to go
into the Baker matter
in detail, but only in
general, giving him as
fair a show as due
regard for brevity will
admit of. I admire
the spirit of the man,
but he seems wise be-
yond what is written.

I presume the spirit
of hostility towards him
was kindly throughout, ^{at}
that you intrudes this evidence.

I trust you are much
better of your sickness. It is

a privilege to live and labor
now, but how many are
dying in the very prime
of their powers!

Very truly
John A. Dey
